Youth Member Anti-Bullying Policy (POR Chapter 2.7)

1. Ethos

“Children have the right to protection from all forms of violence (physical or mental). They must be kept safe from harm, and they must be given proper care by those looking after them.” [The United Nations Convention on the Rights of the Child, Article 19]

The Scout Association is committed to this ethos and seeks to ensure, as far as is reasonably practicable, the prevention of all forms of bullying among members. To this end all scouting activities should have in place rigorous anti-bullying strategies.

2. Responsibility within the Youth Member Anti-Bullying Policy

- a) be aware of the potential problems bullying may cause
- b) be alert to signs of bullying, harassment or discrimination
- c) take action to deal with such behaviour when it occurs, following The Scout Association policy guidelines
- d) provide access for young people to talk about any concerns they may have
- e) encourage young people and adults to feel comfortable and caring enough to
- f) point out attitudes or behaviour they do not like
- g) help ensure that their Group/Section has a published anti-bullying code.
